UK/USA 112 min

Set in St. Andrews, Scotland during the Victorian era, this true story follows Tommy Morris as he becomes the "dashing young man of golf". Tommy is determined to do things his way, with honour, and it proves a challenge as even his own father is caught in the mindset of the class system. The scenery of Scotland and the links is truly gorgeous.

In a provincial city in Romania, Dr. Romeo Aldea has become a success, even if he sometimes wishes he'd made it on a bigger stage. It is perhaps for this reason he is determined to see his daughter Eliza pass her final exam with a high enough mark to secure the UK scholarship that awaits the student with the top score. A series of increasingly sinister events culminates in an attack on Eliza that makes it impossible for her to sit the exam. The doctor, harbouring secrets from the past, must pull every corrupt string and curry favour in every way possible to ensure his daughter's future.
