Alma is a scientist coerced into participating in an extraordinary study in order to obtain research funds for her work. For three weeks, she must live with a humanoid robot tailored to her character and needs, whose artificial intelligence is designed to be the perfect life partner for her. Enter Tom, a machine in human form created solely to make her happy. A playfully romantic tale, *I'm Your Man* questions what love and longing really mean in the modern age.

RATING PG

The Lost Leonardo recounts one of the most expensive and expensive stories the art world has ever seen. This documentary has a knack of looking at this painting's recent history from a different angle every 20 minutes or so, revealing a whole different facet of the fervour surrounding this single piece of art and how the conversation around it became about so much more than the painting itself.

Love Sarah

Sat. Dec. 4, 5:00 pm & 7:30 pm

UK 97 min

RATING 14A

Determined to fulfill her late mother Sarah's dream of opening a bakery in charming Notting Hill, 19-year-old Clarissa enlists the help of her mother's best friend Isabella and her eccentric estranged grandmother, Mimi. These three generations of women will need to overcome grief, doubts and differences to honour the memory of their beloved Sarah while embarking on a journey to establish a London bakery filled with love, hope and colourful pastries from all over the world. This feel-good drama is as delicious as it sounds!
